## Art Director, 2D Generalist

Highly creative and result-driven Art Director with over 10 years of industry experience exploring innovative ways to express narrative in animation. Proven track record in developing animated IPs, directing and animating several award-winning short films, and collaborating on multi-platform and cross-functional games and animation projects. Skilled in project management and mentoring, with a strong commitment to delivering results.

---

## Work Experience

### Art Director

*Lemon Sky Games & Animation* | Apr 2021-May 2024

- Led the Assembly team on pushing the art quality on a multi-season animated series for Netflix's Not Quite Narwhal and Mighty Monster Wheelies
- Curate and maintain a comprehensive visual resource for the Lemon Sky Assembly team, implementing a thorough standardisation for increased productivity
- Led and collaborated on the conceptualisation and world-building of an HTML5 Metaverse universe, which included avatars, world assets, and UI/UX
- Oversee the development of characters, assets, environment and ideation for an in-house cinematic
- Successfully managed the transition of Lemon Sky's AstroLOLogy IP on YouTube into other cross-promotional platforms like Roblox and various merchandise

### Animation Director

*Offbeat Seattle* | Sept 2020 and May 2022

Co-directed, animated, and designed the visual style for multiple short film projects:

- St Vincent de Paul's initiative in advocating for stability and self-sufficiency within the local Seattle community.
- Alaska Air's youth and community outreach program via the San Francisco YMCA

### E-Mentor

*Animated Women (UK) Limited* | Mar 2021

Mentor and nurture a small, diverse team of designers and junior animators by fostering a culture of inclusivity, creativity and continuous skill development

### Animation Director

*Forward Arts Foundation* | Mar 2020

Directed, designed, and animated a short animation based on 'The Night Watch', a poem by Niall Campbell from the Forward Book of Poetry series and classic verse. The project was made in conjunction with the Foundation's annual National Poetry Day

## Concept Supervisor, Concept Artist

Lemon Sky Games & Animation | Feb 2014-Jun 2018

- Supported the Art Director in managing assets and visual standardisation across 144 episodes of Lemon Sky's first published IP, AstroLOLogy
- Developed and successfully executed the character design and world-building of Lemon Sky's AstroLOLogy
- Other roles include mentoring junior concept artists and designing various assets used in production
- Spearheaded Lemon Sky's first IP department by leading the ideation of various 2D and 3D concepts for production

## Production Manager

Aerodyne Group | Jun 2016 - Nov 2016

- Designed and implemented a comprehensive production pipeline for Aerodyne's first fully 3D-integrated City and urban planning management project covering 150km<sup>2</sup> in Kuching, Sarawak (Malaysia)
- Supervised and mentored a production team of 20 artists and techs across interdepartmental divisions
- Successfully QC'd and delivered 150,000 real-world low-poly assets through AutoCAD and CityEngine.
